

I do NOT have cancer...  
And I was not looking for donations!

I thanked the Guadalajara Reporter for their moral support during the medical stuff I am getting through “poco a poco” and although I had a biopsy it was, thank God, not malignant. I do have pancreatitis and am home and slowly come back.

And I did solicit a contribution to help me with costs but I was asking for perhaps some people and venues that have been using this no charge service and like it, to perhaps consider volunteering some money for my past 6+ years to help me out.

Soon I am planning to have a new format for my newsletter that will have paid ads (on the left 1/3 of a page) along with 2/3's of the page with the happenings... it will remain at no charge to the musicians, clubs, theatres, charities, users, etc.

I will be remaining with my present standard of LIVE entertainment only, and will also not be running ads that don't comply with the standards developed over the past six years. The newsletter will be presenting ads with many services that I hope you can use.
